**Subject:** The Faculty/School Awards for Outstanding Achievement 2019/20 - announcement

Dear SD Colleagues

I am pleased to announce that SD has received three Awards for outstanding achievements in teaching and research. My heartfelt congratulations to the following faculty who have won the Faculty/School Awards for Outstanding Achievement 2019/20 organized by the University. All nominations received were considered by a Panel composing of senior faculty from different departments chaired by AVP(LT). I am pleased to see the accomplishments which are particularly meaningful this year as 2019/20 has been a challenging time for us all.

<b>Name of staff</b>	<b>Award</b>
Mr Chan Cheung Michael	Teaching (Individual)
Dr Gerhard Bruyns, Ms Anneli Giencke, Mr Daniel Elkin, Mr Peter Hasdell	Teaching (Team)
Dr Yan Luximon	Research and Scholarly Activities (Individual)

Each individual and team awardees will receive a **cash prize and teaching/ research grant**. I sincerely hope that all awardees will make good use of the incentives for their continuous great contribution to the School and my best wishes for their ongoing endeavours. We will present the Faculty/School Awards during one of the major School events (when situation allows). Please stay safe and vibrant during these difficult time.
