**The Faculty Awards for Outstanding Performance/Achievement 2018/19**

Further to the invitation of nominations in May 2019 and the subsequent assessment processes, I am pleased to announce the results of The Faculty Awards for Excellent Performance/Achievement (“Faculty Awards”) for 2018/2019. A total of two individuals with outstanding performance/achievement have been selected for the awards. Details are as follows:

<b>CATEGORY OF AWARD</b>	<b>AWARDEE</b>	<b>DEPT</b>	<b>SUBSTANTIVE POST</b>
<b><u>Individual Awards</u></b>			
Teaching	Dr Lai Hung Kit Joseph	BSE	Associate Professor
Research and Scholarly Activities	Professor Asif Sohail Usmani	BSE	Professor and HoD(BSE)

The nominations for awards received were first reviewed and recommended at the Faculty Research Committee Working Group (FRCWG) for the category of Research and Scholarly Activities, and at the Faculty Learning and Teaching Committee (FLTC) for the category of Teaching. The recommendations were further discussed and decided at the Faculty Executive Committee at its 168th meeting held on 27 September 2019.

A cash prize of HK\$10,000 will be given to each individual awardee.

A Teaching Grant of HK\$100,000 will also be given to each individual awardee of the Faculty Award in Teaching. It can be used for staff development, conference attendances or purchase of equipment as decided by the awardees and subject to guidelines as determined by Management.

The award certificates will be presented to awardees at the Faculty Congregation and Prize Presentation Ceremony 2019 in November.

We take this opportunity to thank and congratulate the awardees for their achievements, which have contributed to the success of the Faculty.

Thank you and best regards
