Dear Alison,

Big congrats to the excellent performance of your students in 2nd ABCT Research Postgraduate Symposium in the Biology Discipline (2021).

Thanks again for your support to this event.

Regards,
Terence

Dear Colleagues and RPg students,

We would like to express our sincere gratitude and appreciation to everyone who participated in the 2nd ABCT Research Postgraduate Symposium in the Biology Discipline last Friday, 6 Aug 2021.

Congratulations to the followings six students who received the **“Best Oral Presentation Award”** for their high quality and excellent work.

Awardee	Poster Title
MOK Ho Kit (ABCT)	SREBP2 activation drives drug resistance through promotion of cholesterol biosynthesis-driven sonic hedgehog signaling (SHH) pathway in hepatocellular carcinoma
TAM Suet Ying (ABCT)	Design of a Structure-based Fluorescent Biosensor from Bioengineered Arginine Deiminase for Rapid Determination of L-arginine
CHAN Wing Cheung (ABCT)	Tetrandrine is a novel inhibitor of Lysosomal Integral Membrane Protein 2 (LIMP-2)
LEUNG Tsz Wing (ABCT)	Fluoxetine potentially ameliorates 5-Fluorouracil-induced cognitive impairment by suppressing neuroinflammation and neuronal cell death
GANAPATHY Thashma Pemmanda (HTI)	Potential role of flavin monooxygenase 3 signaling in age related alteration of adipose tissue function
YEH Yu Wen (HTI)	Mast cells are identified in the lung tissues of wild mice which can be recapitulated in the naturalized laboratory mice

Once again, thank you for all the invaluable support to the Symposium. We look forward to seeing you again in the near future.

Best regards,
Department of Applied Biology and Chemical Technology
