Dear Dr. Chen,

Thank you very much for your participation in the Tse Cheuk Ng Tai Prize in Dementia Research organized by the Chinese Dementia Research Association (CDRA). We are glad to inform you that you have won this year's prize on your outstanding work on "Associations between CLU Polymorphisms and Memory Performance: The Role of Serum Lipids in Alzheimer's Disease". You will be awarded up to HK\$10,000 as conference sponsorship by means of reimbursement, which will be valid normally within two years of winning the prize.

(Considering the uncertainty in global pandemic situation and related restrictions in overseas travelling, such period will be reasonably adjusted. Details will be updated to you in due course.)

Thank you for accepting our invitation to present your work at the coming Annual Scientific Meeting (ASM) as well. Mr. Tse, founder of this named prize, will present the award to you directly if available. As a CDRA regular member, you are welcome to join the whole ASM, plus the Annual General Meeting (AGM) in between.

Below is the basic information:

Date: 18 September 2021 (Saturday)

Your Session Time: 4:20 – 4:35pm (12 minutes' presentation + 3 minutes' question and answer session)

Venue: Shek O Room, Lower Level 1, Kowloon Shangri-La (64 Mody Road, Tsim Sha Tsui East, Kowloon)

ASM: 1:45 – 5:00pm (ZOOM platform ready for log-in at 1:30pm)

AGM: 3:10 – 3:20pm

Please feel free to contact us at oscar@genesismarketing.com.hk or info@cdra.org.hk should you have further enquiries.

Congratulations to your success once again!

Warmest regards,

King Son LAI, Honorary Secretary
